**Re: *United States v. Todd Patrick Donohue, 22 Cr. 637 (PMH)***

Dear Judge Halpern:

The Government writes in response to the Court's May 14, 2024 order, which directed the Government to notify the Court whether it objects to the Defendant's proposed medical order (Doc. 20-1). Defense counsel provided the Government with a copy of the proposed order before it was filed, and the Government notified defense counsel that the Government has no objections to the order. Accordingly, the Government does not oppose the Court's entry of the proposed order.

Respectfully,

DAMIAN WILLIAMS  
United States Attorney
